

FLYBRIDGE CRANE GRUE DE FLYBRIDGE

BE F0136

*The Besenzoni Crane allows the lifting of loads up to 400KG / 882LBS

*La grue hydraulique Besenzoni permet de manipuler des charges jusqu'à 400KG / 882LBS

This option must be ordered in combination with cockpit L-shaped seat (BE A030Y or BE A0396) because seat stows 2x 8 person liferafts in place of standard flybridge location of 1x 16 person liferaft where location is same as crane base
