## AWLCRAFT® SE

THE NEXT GENERATION TOPCOAT FOR YOUR BENETEAU

Traditionally the **Awlgrip** brand has been known for its classic **Awlgrip** topcoat, renowned for its absolutely stunning high-gloss, mirror-like reflection on yachts that skilled applicators showcase as they have mastered the art of **Awlgrip** throughout their many dedicated years of applying it.

We have worked in partnership with **BENETEAU** to offer you a premium polyurethane topcoat, in a variety of finishes, as a basecoat/clearcoat system that's been customized for the marine environment with an **Awlgrip** quality finish we already know you love.

First we brought you **Awlcraft SE** metallic and pearlescent – now with the launch of solid colors, **Awlcraft SE – Solids** and **Effects** – is everything even the most discerning **BENETEAU** yacht owner could want from a premier topcoat system. With a near infinite number of colors possible and a variety of finishes to choose from (metallic, pearlescent and solid) – be inspired, give in to your imagination, and rest assured that **Awlgrip** has the technology to make your design a reality.

Having selected or created your color, **Awlcraft SE** will turn your dream into reality with the greatest of ease; **fast drying, easy to apply and unlike many other basecoat/clearcoat systems, Awlcraft SE** is designed specifically for the marine environment.

Available now for : **First Yacht 53 • Oceanis Yacht 54 • Oceanis 51.1 • Oceanis 46.1**

# SOLIDS • PEARLS • METALLICS

## OFFERS

- Faster color matching capabilities
- Color tool access and technology
- Advanced color consistency
- Multiple clear coat options
- 24/7 global technical support

## FEATURES

- **Revolutionary** topcoat system encompassing metallic, pearlescent and solid colors
- Available in standard and **custom colors** with a variety of finishes
- Any in-yard defects can be easily and **speedily repaired** – no loss of downtime
- A premium **yacht-quality finish** from a basecoat/clearcoat system designed specifically for the harsh marine environment
- **Fast drying** allowing multiple coats per day
- **Easy application** consistently giving an excellent even finish

## IT'S FAST

With **Awlcraft SE** you can apply multiple basecoats per day that can be clear coated in less than 30 minutes, making it possible to complete in 24 hours.

## IT'S REPAIRABLE

State-of-the-art solution for repairability means that any defects can be easily and speedily rectified with no loss of downtime.

## IT'S EASY

Easy to apply with consistent and repeatable results that cannot be as simply achieved using most single stage coatings.

As a result, **Awlcraft SE** gives you the flexibility in order to achieve the results you desire. This allows you to take your paint application to another level, with the ability to offer specialty design work as an upgraded service to your customers.
